Youth Sports Leagues and Clinics Spring 2010

Thank you for choosing Montgomery County Department of Recreation for your child's fun and competitive sport programs. Inside you will find:

- Program descriptions including important dates, costs and course numbers for registration.
- Registration deadlines, payment and withdrawal information.

For our youth sport leagues, players who register as individuals will be assigned to a team closest to their school or neighborhood, as space allows. Placement of individuals on a team is contingent upon sufficient registration and the recruitment of a volunteer coach.

Volunteer coaching is critical to the success of the programs and ensures that as many children as possible have an opportunity to participate. All coaches will be asked to submit to fingerprinting for the safety and welfare of participants. PLEASE CONSIDER VOLUNTEERING.

Accommodations

Individuals with disabilities are encouraged to register for and participate in Montgomery County Department of Recreation programs.

Registrants must meet the basic requirements of the program.

To request a mainstream companion, a sign language interpreter, Braille or large print, or other services, call a Therapeutic Recreation Specialist at least 3 weeks prior to the start of the program. Call 240-777-6870.

A companion provides support for an individual with a disability during general Department of Recreation programs. Most companions are trained volunteers. Requests for companions are filled on a case-by-case basis depending upon the skills and availability of the volunteers.

Companions do not provide personal care. Placements are limited, so early notification is essential.
